# Basic Setup

1. Login to "Nasmans Library" using the credentials you just created.
2. Your account has been set up using the basic settings. If you wish to change these (UI-language for example) click on the picture in the top-right corner and click your username

   3. Check whether the basic settings are correct for you and change your default-password. Press the orange "SAVE"-button at the          bottom of the page.
